

AMAVEN Business Development and Communications

We provide business services

Every business should always strive to provide friction free ways for customers to do business with them. The current business environment is proving that businesses that either have in-place or are developing effective, reduced-friction ways for people to do business with them are much better off.

If you need help we are providing solutions through the following:

- | | |
|---|----------------------|
| 1. Monthly Business Counseling / Coaching (through SCORE) | Free |
| 2. Weekly Business Counseling / Coaching | \$200/mo. |
| 3. Your Own Mobile Application for Your Business | starting @ \$200/mo. |
| 4. Business Services | starting @ \$200/mo. |
| • Social Media | |
| • Website | |
| • Mass Email | |
| • Google | |
