

Social Media Plans

Your Digital Broadcast Channels

A single campaign initiative represents one idea created and broadcast across 4 platforms

Choose four separate platforms including:

InstaGram, Google-My-Business, FaceBook,
Linked-In, your WebSite, your APP, a mass Email

In order to broadcast their promotional ideas, many businesses spend valuable budget dollars on part-time affordable employees who don't really have the experience needed to accomplish a properly designed, executed and measured social media or digital broadcast campaign.

The average \$15 / hr part-time employee costs a business in excess of \$1200.00 per month plus on boarding, insurance and tax implications.

Our Digital Broadcast plans cost \$200 / mo. for a new idea every week, broadcast across 4 platforms of your choice.

For \$1000 / mo. Which is much less than a part-time employee, you can have 5 idea campaigns every week.
